

Armonia Soft Plus

Armonia Soft Plus is defined by a 7 inch touch screen display, completely customizable depending on the user demands. Up to 30 drink selection can be loaded (max.10 per page), like coffee drinks, milk-based drinks, instant products and hot water. Users can upload movies, sounds or customised images per each single drink: Armonia Soft Plus is provided with loudspeaker. All machine parameters and settings are customizable and adjustable directly from the user interface.

Armonia Soft Plus is available in 2 models: Easy e LM, with many available configuration. Available also in Self configuration, perfect for offices and communities.

Armonia Soft Plus could be combined with A01 add-on-units line.
