Optima Ultra

The innovation continues with the new 10" touch screen that can be configured to display any type of drink selections and show videos. Very easy and intuitive to use, it guarantees a wide choice of quality drinks and delivers an average daily up to 400 cups. CARImilk, the new dynamic milk technology, guarantess perfect milk foam every single time, ensuring the best consistency and thickness for hot and cold foamed milk beverages. The efficient automatic cleaning system ensures that the strictest hygiene standards are always met, as well as reduce daily cleaning operation. Optima Ultra is matched by Fridge Ultra with high capacity milk storage, available with single and double milk tank to offer a wider choice of milk based drinks. CARIcare, the new Carimali colud platform, enriches the offer by providing a bi-directional connection to handle all parameters, reduce service calls and maxime customers' investments.
