### Fentimans tonic

*Next time you order a Fentimans tonic you'll notice our mixer bottles have had a mini makeover.*

Since last year, the popularity of Fentimans Botanically Brewed Beverage is growing rapidly. Thus, we proudly present a new addition to our Fentimans family with Fentimans "Cherry Cola" and "Connoisseur Tonic Water". Cherry Cola is filled with the traditional cola taste but with an infusion of natural cherry flavor, which offers a unique sweet taste of cherry. Connoisseur Tonic Water retains the refreshing taste of Tonic Water but with less sugar.

It is also a pleasure to introduce Fentimans new look for 2018 to our beloved customers. The green bottle is now being replaced by the newer, modern, chic flint bottle!
